1. Leave Policy

1.1 Paid Time Off (PTO)

Full-time employees accrue 1.75 days of PTO per month, up to a maximum of 21 days per calendar year. PTO accrual begins on the employee's start date and unused PTO carries over up to a cap of 10 days into the following year; any balance above 10 days is forfeited on December 31st unless local law requires otherwise.

1.2 Sick Leave

Employees receive 10 paid sick days per year, separate from PTO. Sick leave does not carry over between years. A doctor's note is required for sick leave exceeding 3 consecutive days.

1.3 Parental Leave

Primary caregivers are entitled to 16 weeks of paid parental leave. Secondary caregivers receive 6 weeks paid. Leave must be taken within 12 months of the birth or adoption date and can be split into two blocks with manager approval.

2. Code of Conduct

All employees are expected to act with integrity, respect confidentiality of client and company data, and disclose any conflicts of interest to their manager. Harassment of any kind is grounds for immediate termination. Employees may not accept gifts from vendors or clients valued over \$150 without written approval from their department head.
